

The old Church, Colchester, Ont.

Just this card to let you know that I got
home safely. No bones broken, every-
one seemed quite lame, never attempted
to bite my head off. Papa met me at
the station & the doggies at the house.
Ted will mail this for me so must-
hurry. Hope you are well this
morning, will write to you, dear,
very soon, perhaps this afternoon.
Affectionate love from Papa &
your loving Grandma.
